I authorize my rebate payment to be made DIRECTLY to the propane marketer listed below.

By signing this form, I hereby agree not to modify the equipment in any way that would materially impair the equipment’s performance with respect to energy conservation, efficiency or air quality. I understand that IPGA may conduct a spot check for the purpose of verifying the compliance of the installation with program rules. I have received a copy of the program rules and understand that this rebate is available only through authorized propane marketers in Iowa, that this is not a government program, and that the program may end at any time.

PROPANE MARKETER INFORMATION

NOTICE: A safety inspection must be performed by you or your designated agents after the installation of the new qualifying furnace installation and the result of that inspection must be documented and submitted with this application form. The requirements for the safety inspection are set forth in the program rules. Submission of this Application form constitutes a representation on your part that the work shown on this form and any attachments hereto has actually been completed and that the submission is true and correct in all respects. You hereby agree to comply, and represent and warrant that you have complied, with all laws, rules and regulations governing the installation, inspection and testing of the propane piping system. You acknowledge that the Iowa Propane Gas Association is only giving a rebate for the qualifying furnace/boiler and assumes no responsibility whatsoever for the installation, inspection or testing of that qualifying furnace/boiler or any associated gas system. You acknowledge that the Iowa Propane Gas Association is relying on you with respect to the installation, testing and inspection of the propane piping system and the Iowa Propane Gas Association expressly disclaims all liability for the same. By issuing a rebate, the Iowa Propane Gas Association makes no representation, warranty or guarantee regarding the qualifying furnace/boiler or the associated gas system. The Iowa Propane Gas Association disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying furnace/boiler.

(Check will be mailed to this address)

Signature of Propane Marketer (required) Date Signed Email

By signing this form, I agree to all rules and conditions for participation in the IPGA rebate program. I acknowledge that the installation at this location is eligible for a rebate and that the installation meets all requirements of the rebate program. I hereby declare that I am authorized to sign this application and that the information stated herein is true, and correct and complete to the best of my knowledge. I understand that as the participating marketer representative, I am responsible for ensuring that safety inspections performed by the company’s designated agents comply with Iowa Code, Public Safety [661] Chapter 226 – “Liquefied Petroleum Gas”. By signing this application, I affirm that this installation of the propane piping system passed the safety inspection defined in the rebate program and is certified by the attached inspection record.
