***Prior to any test, the instructor must see a Photo ID & you will need to provide the last four digits of your Social Security Number (not the card) for class and testing forms.** Send employees with company address for paperwork.

An optional WQA (closed book test) will be available to all participants. To attain CEU credits the WQA is not required, however, to meet the "Qualifications of Personnel" as detailed in IAC 661-226.4(101) the successful completion of the WQA is required. The WQA will be retained by the Iowa Propane Gas Association, for evaluation and record keeping. Upon course completion a certificate will be provided by mail for you to submit to Iowa Department of Public Health for CEU's. [For those taking the WQA, upon successful completion of the written assessment and skills assessment, a certificate will be provided by mail.]

Propane Piping Systems – A to Z provides 4 hours of continuing education in all four Disciplines for the Plumbing & Mechanical Systems Board. (Plumbing, HVAC, Refrigeration & Hydronics)

Registrations must be received at the IPGA office no later than one week prior to class to guarantee class and lunch numbers. Classes with less than 10 attendees may be subject to cancellation. Confirmation of registration and class information will be mailed or emailed prior to class. – Please call IPGA at 515-564-1260 with any questions. - *Class partially funded by IowaPERC.*
